

WORLD CLASS ENTERTAINMENT VENUES

Experience an exhilarating entertainment hub that will excite the senses.

CELEBRATE AND ENTERTAIN IN STYLE

Imagine a place where you can experience live music, theatre, stunning views, dining choices and global talent. Australia's first fully-integrated entertainment and events quarter, ICC Sydney, presents a series of venues and so much more.

AN INTEGRATED PRECINCT

Set in the heart of a rejuvenated city centre precinct, ICC Sydney features a range of pre and post entertainment options including onsite and local bars, restaurants and cafes. Set on the roof of the exhibition centre, a 5,000sqm open air event deck, complete with a bar and lounge, offers impressive skyline views and is set to become the sought after destination for Sydney's most coveted parties.

ICC Sydney features banqueting options, including Australia's largest ballroom, that will set new standards in dining service, ensuring it becomes Sydney's number one choice for awards, exclusive dinners, corporate parties and Australia's most celebrated televised events.

Across its three interconnected buildings, ICC Sydney features 70 rooms for hire and will benefit from a reinvigorated public realm featuring an easy to traverse Tumbalong Park that is being reconfigured to hold public events of up to 11,000 people.

INTEGRATED TECHNOLOGY FEATURES

- Entry to the theatre is through a 180sqm high definition digital screen
- High definition digital signage throughout
- Venue wide, large scale projection
- Ultramodern audio, visual and lighting technology and equipment

THREE NEW ENTERTAINMENT VENUES

ICC Sydney Theatre	8,000 seats tiered 9,000 with GA standing floor
Darling Harbour Theatre	2,500 seats tiered
Pymont Theatre	1,000 seats tiered

ICC SYDNEY THEATRE

9,000 CAPACITY/8,000 SEATS

The main stage within the entertainment hub is ICC Sydney's innovative, tiered and fan-shaped theatre designed to enrich the live experience. With a reserved seated capacity for 8,000 guests or 9,000 guests at capacity with 2,000 in general admission (GA) standing floor mode, the theatre brings audiences closer to performers by providing unobstructed, 100% forward facing views of the stage from any of the venue's luxurious seats.

ICC Sydney Theatre has been specially designed to host the world's greatest performers and entertainment spectacles with state-of-the-art technical facilities, load in access, generous roof load capacity and in-house production equipment.

Featuring a striking contemporary design, guests will experience a world class welcome from the moment they enter the main theatre through a 180sqm digital screen. Guests will then continue to be swept off their feet with the spectacular city and waterfront views that await them from within the three foyers.

DARLING HARBOUR THEATRE

2,500 SEATS

Set within the convention centre on Sydney's sparkling Cockle Bay, the Darling Harbour Theatre is a spectacular entertainment space where the furthest seat is only 32m from the stage. Featuring two levels of tiered seating, the modern venue features its own catering facilities, access via three foyers and is equipped with in-house production equipment.

PYRMONT THEATRE

1,000 SEATS

Tiered seating in this boutique theatre provides the third and most intimate option of ICC Sydney's entertainment venues – fully equipped with in-house production equipment. Expect the same world class standards in hospitality, technology and service across every aspect of ICC Sydney.
